## MWAR BIKE PARK EVENTS

In collaboration with our partners, Mount Washington Alpine Resort seeks to enhance our guests' experience while supporting the excitement of mountain bike and other community events in the summer of 2025. We aim to elevate the recognition for athletes of all ability levels and encourage participation in mountain sports for all backgrounds of our Vancouver Island locals and destination travellers. We hope you can be part of it all!

## STEVIE SMITH DH EVENT

It's more than just a bike race... It's the culmination of our summer here at Mount Washington! The VI Bike Fest Stevie Smith Memorial Weekend honours the spirit and passion of our bike community. Now part of the Canada Cup circuit, this long-time BC Cup series favourite is attended by riders from all over with eager eyes and open hearts. The sanctioned race includes a lively resort atmosphere, various vendors, fun family events, and a stoke-worthy environment.

# Monster Mile

AN ISLAND COMMUNITY WITH HEART.

“Steve Smith has influenced many downhill racers and especially Canadian downhill racers to really push themselves and take some risks, to really dig deep and love what you do. He taught us to chase our dreams because we're not going to get them unless we go for it. He would take those risks and lay it on the line to really go fast and have fun on his mountain bike. He inspired a whole world coming from a young kid in a small town and doing shuttles with his mom to being the overall World Cup champion in 2013 and winning numerous races and podiums. His being a nice guy all along the way has really made an impression on me and many others. I miss him. Long live Chainsaw.

—Brett Tippie

## SANCTIONED CYCLING BC DH RACE ICONIC MONSTER MILE RACE COURSE

Vancouver Island will see some of the best DH racers around duking it out for the top time on the "Monster Mile." The course runs from the top of Eagle Chair at 1588m above sea level with alpine to ocean views, rolling down to the base of the Alpine Lodge where spectator areas, vendors and plenty of action will take place; guaranteeing the beloved race atmosphere will be alive and well. We're so glad to be doing this once again!

**200 + REGISTERED ATHLETES | SPECTATOR CROWDS | MOUNTAIN OPEN FOR ALL ACTIVITIES, DINING, ETC.**

A long-standing tradition since the passing of legend Steve Smith in 2016, the Mt. Washington Memorial event draws crowds and spectators from all over. The island community is stoked to host this event again in 2025 with the help of our stellar partners and local bike community from here on Vancouver Island and beyond.

# Contributions Overview

The Mount Washington team will integrate your brands' logo and messaging into the event experience wherever possible. Whether in-person or online, we collaborate to engage participants throughout the 2024 Canada/BC Cup Steve Smith Memorial weekend, making memories together here in the mountains.

Partners are encouraged to provide any desired in-resort branded materials (signs, tents, banners, flags, etc.) that can be returned at event's end. Consumables such as granola bars, beverages and other giveaway tokens for athletes are a huge bonus. Sponsors are welcome to be present on-site for activations to make a splash during the event weekend. As always, the Mount Washington Alpine Resort team is open to your creative suggestions on how we can each benefit through our collaboration in the great outdoors.
